About This Game

DARKROOM is a mystic novel. You wake up in complete darkness and you don't know where you are or how you got there. Yet, there is someone else in this dark room.

- Atmospheric visual novel with elements of horror.
- Try to find clues in your memories.
- Find out who is here in the dark room with you and how they got here.
- Answers which at first sight seem obvious may lead you away from the truth.
- Great pixel art graphics.
